Bob Amos Soccer Complex

LOCATION:
Pikeville, KY

CLIENT:
City of Pikeville

TYPE OF PROJECT:
Recreational/ Soccer Complex/RV Park

The Bob Amos Soccer Complex was designed with a college-regulation soccer field to be utilized by both the Pikeville College and Pikeville High School soccer teams. The natural-surface field was designed to be irrigated and surfaced with hybrid Bermuda grass. The complex includes seating for 500 spectators and college-regulation lighting. The complex also features a concession/restroom facility, a walking track and a parking area adjacent to the Bob Amos RV Park.
