## Clear Creek Golf Club Pro Shop and Cart Storage

**LOCATION:**  
Bristol, VA

**CLIENT:**  
Clear Creek Development Corporation and City of Bristol Virginia

**TYPE OF PROJECT:**  
Recreational

Summit was retained by the Clear Creek Golf Club to design a 10,000 square foot pro shop and cart storage facility. The pro shop is located on the upper level of this two story structure and contains retail space for merchandise, a short order kitchen and snack bar, pro shop and real estate offices, and a loft apartment for the assistant pro. The lower level houses 65 carts for recharging as well as equipment and work area for cart maintenance. This level, which is partially below grade, is constructed of reinforced concrete walls. The upper level is frame construction with beveled cedar siding, and a treated wood deck around two sides of the building. The interior features a high, vaulted ceiling over the entire pro shop and snack bar area.
