## Name of Project

**LOCATION:**  
Coal Run, KY

**CLIENT:**  
Dr. Gregory Hazelett

**TYPE OF PROJECT:**  
Medical Facility

Coal Run Medical Plaza, is a modern 32,000 square foot Medical Office Complex. The building is a combination steel structure with a light steel framed interior. Nearing completion, a masonry facade was added to the outside of the structure, making this complex one of the most attractive facilities in the community.

The complex exceeds the client's expectations and currently houses several thriving medical practices.
