131 Summit Drive | Pikeville, KY 41501 | 606-432-1447 | www.summit-engr.com

Cambrian Coal Corporation

LOCATION:
Pike County, KY

CLIENT:
Cambrian Coal Corporation

TYPE OF PROJECT:
Surface Mine Permitting

Cambrian Coal's Millard Surface Mine operation utilized a 992 spread of equipment to mountaintop/ contour numerous seams. Hollow fills were utilized to place excess spoil from the mining operation.

Summit Engineering completed all phases of DNR permits, certifications and surveying for these mining operations.
